

User Guide for HR Management System

This document provides a comprehensive guide to navigating and using the Online Assessment System. It includes instructions on managing locations, departments, job roles, employees, and job histories.

Main Page

The main page provides navigation to different sections such as Menu, Location, Department, Job Role, and Employee Management.

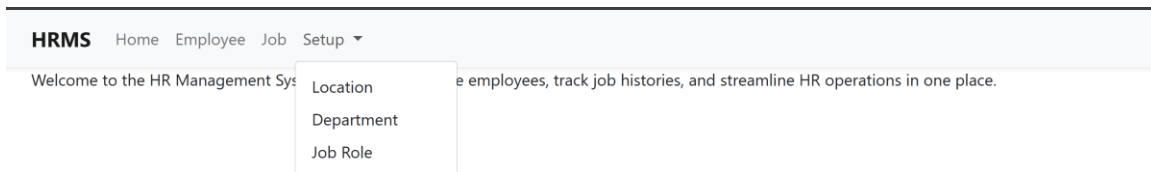

Screenshot:

Menu Options

The menu includes options for Location Management, Department Management, Job Role Management, Employee Management, and Job History Management.

Screenshot:

Location Management

Users can create, update, and delete locations. Upon saving or updating, the user is redirected to the List Page.
